Foundations of Career Navigating and Coaching  
Client Intake, Assessments, Skill Analysis and Planning  
Supporting Clients  
Career Support Community and Resources

Apr 20, 2025

**I Gede Suartha Eriyasa**

has successfully completed the online, non-credit Professional Certificate

## Goodwill® Career Coach and Navigator

Congratulations! You have successfully completed this program and you are now ready to launch your career as a Career Navigator. You have learned the foundational concepts of Career Coaching and Navigating and discovered career possibilities. You now have the skills and knowledge to familiarize clients with the Career Navigation experience, use Coaching Agreements and Career Service Plans, identify professional and ethical standards, and use human-centered approaches in Career Coaching and Navigating. You have applied these skills in case studies and have confidence to support applicants ready for a new role. You may use these credits toward renewal requirements of an International Coaching Federation (ICF) credential. Core competencies - 20hours, Resource development - 20hours

Goodwill Academy

The online specialization named in this certificate may draw on material from courses taught on campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit, or degree, and it does not verify the identity of the learner.

## Adobe Content Creator

The Adobe Content Creator Professional Certificate equips you with essential skills for digital content creation. You'll learn design fundamentals, social media management, digital content production, and responsible use of generative AI through comprehensive courses. This program helps you develop a versatile skillset for creating professional-quality content and engaging with audiences across platforms. By the end, you'll: Master visual design principles using Adobe Express. Enhance your social media presence with engaging content and trends. Produce diverse digital content like videos, podcasts, and blog posts to build a portfolio. Use generative AI responsibly with Adobe Express and Firefly, and understand ethical practices.
